HARRY LOEWEN **No Permanent City** by Harry Loewen **Stories from Mennonite History and Life**

Historical figures come to life in these stories of Anabaptist/Mennonite history and life from the 1500s through the present. The early Anabaptists Harry Loewen shows, were not old church leaders, but idealistic and radical young people in their 20s. They challenged society and established institutions to accept their vision of following Christ in life.

Mennonites have been God-fearing, simple, and humble people, some stories demonstrate. Other accounts indicate they also shrewdly negotiated advantages for themselves from rulers. And though they meant to follow the Prince of Peace, they sometimes failed miserably. Fortunately, we learn, they could laugh at themselves and have fun.
